

Brian Crabb Has Show On WNTC

"The Brian Crabb Show," a live music broadcast heard over WNTC every Saturday afternoon from 2:30-3:00 is the newest addition to the WNTC schedule of programs.

Brian, a Crane sophomore, is emcee of the program. He sings semi-classics and popular tunes, being backed by a combo consisting of Ronald Terpenning on piano; Bart McClean, string bass; and Rod Jennings on drums.

Guest performers are featured on the program. Recently, the Girls' Crane Trio was heard. To be heard in the future will be the Delta Kapps, the Four Beats and other musical groups. Music written by Crane students will also be featured.
